# Hiring a Coachman

A gentleman once advertised for a coachman. Of each applicant he asked this question: "How near to a precipice could you drive without going over?" One said within a yard, another a foot, etc., but one answered: "I would keep as far from it as possible." He got the job. The

## Emerson Piano

is made by a Company that has never tried to see how far it could go in cheapness without getting over the line which separates a thoroughly reliable piano from a "Make believe." We have never believed in the "thirty five inches to the yard or fifteen and a half ounces for the pound" kind of piano building. Our whole aim is a dependable piano at a fair price, and over 76,000 satisfied purchasers say, "buy an Emerson." Our illustrated catalogue and easy terms system free upon application. Address Dept. ## Fine Furniture.

It would be hard to overestimate the number of times that we hear the expression, "Why, I had no idea that such an elaborate display of fine furniture could be found in this city!"

Broadly speaking, there is no production of the Custom Cabinetmakers that is not paralleled in our stock. And always at a saving of nearly a third of the cost.

Here, for example, is a carved Library Table. The entire top is supported on the heads of mythological winged lions. They are chiselled with a vigor rarely seen in modern cabinetwork. The carving extends to every part of the Table except the writing top. No metal work is used; all the trimmings are graven.

No veneer of any sort is used in the construction of these pieces.

You are cordially invited to inspect our stock at any time, regardless of any intention to purchase.

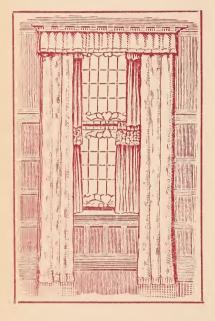

### Paine Furniture Co.,

Wall Paper, Rugs, and Furniture,

48 Canal Street.

# COLOR HARMONY.

When you select Floor Coverings, Wall Papers and Draperies, all from one house, you not only assure yourself a perfect color harmony but you save yourself a world of trouble.

We carry all these lines, and we sell them at Canal street cost. In each case they are the better class of goods, not the bargain stocks which are usually associated with low price.

We handle the most artistic Wall Papers and hang them skillfully. We have a line of Drapery Fabrics which are exclusive; you will not find them elsewhere. Our Rugs are carefully chosen to match our Papers and Fabrics.

As a relief from Battenberg laces look at our Fine Embroideries on heavy French Silk in cream color. They never need laundering and are the most beautiful drapery imaginable for the drawing room of a townhouse.

Imported stripe armures for bedrooms in blue, pink and mode color.

## U. S. WEATHER BUREAU.

## Explanation of Cautionary and Storm Signals.

A RED FLAG with a WHITE CENTRE, displayed at stations on the Great Lakes, indicates that the winds expected will not be so severe but well-founded sea-worthy vessels can meet them without danger.

A RED FLAG with a BLACK CENTRE, either on the Lakes or seaboard,

indicates that the storm is expected to be severe.

The pennants displayed with the flags indicate the direction of the wind; red, easterly winds (from northeast to south); white, westerly (from southwest to north). The pennant above the flag indicates that the wind is expected to blow from northerly quadrants; below, from southerly quadrants.

By night a red light will indicate easterly winds and a white light

above a red light will indicate westerly winds.

The system of weather, temperature and rain signals displayed throughout the country is distinct from the cautionary and storm signals, the latter being principally for the information of the maritime interests and are displayed at the principal ports of the Great Lakes and on the Atlantic, Pacific and Gulf coasts.

Boston office, rooms 149 to 154 P. O. Building, open to public from 9 A. M. to 4 P. M; visitors cordially invited. Telephone, No. 491 Main and Back Bay 1788; service 9 A. M. to 5 P. M. and 8 to 10 P. M.

J. W. Smith, Forecast Official. In charge Boston Station.

### HURRICANE WARNINGS.

For the purpose of giving warning of the approach of tropical hurricanes (and also those extremely severe and dangerous storms which sometimes pass across the Lake region and North Atlantic coasts,) the Weather Bureau has adopted a special signal called the hurricane signal, consisting of two red flags with black centres displayed one above the other. (No distinctive night signal will be used.) This signal will be displayed at all Weather Bureau offices and wind signal display stations on the Atlantic and Gulf coasts and the Great Lakes and also at numerous other points at sea and lake ports and along the coasts mentioned.

WILLIS L. MOORE Chief of Weather Bureau.

# Card Etiquette.

The significance of a card is always considered by well bred men and women and its fitness to the occasion is an expression of its owner's individuality, in fact the card is the beginning and the end of etiquette—the introduction and the farewell.

A written name should never be used, unless the bearer's formal cards are beyond reach.

Ladies' visiting cards should be nearly square, fine in texture, flexible, and of a soft white. Changes in form of course occur, but these are the characteristics for those who respect good form.

It is imperative that Mrs. or Miss should be placed before the name upon the engraved card.

It is proper to use the husband's complete name. Initials are seldom seen.

During a young girl's first season in society her name is engraved upon her mother's card. If sha is the oldest unmarried daughter, she is appended as Miss Smith—otherwise her full name is given with the prefix of Miss.

When two daughters enter society together, it is proper for them to be mentioned upon their mother's card together, thus,

Mrs. James Smith. The Misses Smith.

Afternoon tea cards are sent a week or ten days in advance of the date upon them.

To send a card without calling signifies inability to call in person,

Acceptances or regrets should be sent as soon as possible after receiving invitations.

"Party Calls" should be made within one week after date of the party.

Invitations in your own city can be sent either by mail or messenger, as preferred.

The visiting cards of gentlemen are shorter and slightly narrower than those at present used by ladies. "Mr." should be prefixed to the name.

Any lady wishing to inform her friends of the presence of a lady visiting her family, should enclose her visitor's card with her own, in the same envelope.

When cards of introduction are given, the name of its bearer should be written above that of the giver, prefixed by the word "Introducing" and the card placed in an envelope addressed to the person to whom the introduction is made.

An invitation to dine should be answered on the day received.

It is always courteous to acknowledge the receipt of an "At Home" card.

A visiting card should always be left when attending an "At Home."

Any invitation requesting your presence, requires an answer.

# CARD ETIQUETTE FOR CHURCH WEDDINGS.

When attendance to a church wedding is impossible, cards must be sent in an envelope directed to those from whom the invitation comes.

If present at the church, it is polite to send a card or cards to those who invite.

#### CARD ETIQUETTE IN WASHINGTON.

Questions are asked concerning the requirements that the official element demands in Washington, and some knowledge of the etiquette of that city is necessary.

The President has absolute precedence. He receives visits—returns none.

He is addressed as Mr. President. His receptions are open to all. Upon entrance you give your name to an usher, and are announced. You are then introduced to the President and members of the Presidential family.

It is proper to leave your card before your departure from the "White House."

Any invitation extended by the President is equivalent to a command.

There was a question as to who should pay the first visit—the Cabinet officer or the Senator.

Many yield this point to the Senator. The families of Senators are in Washington for a short time, while the residence of the Cabinet is fixed.

The wives of United States Senators will hereafter call upon the wives of Foreign Ambassadors, while the wives of Foreign Ministers will make the first call up n the wives of Senators.

In all Society, official or otherwise, the clergy take a signal position, and should always be accorded the place of honor, when present.

# CARDS FOR BALLS.

Note sheets are used for private balls, and the engraved invitation is in the same form as for any evening party.

Cards of ceremony must be left within a week.

If a lady is "at home" on a certain day, cards must be left on that day and no other.

Exceptional occasions, of course, require exceptional cards; for such there can be no fixed rules.

# INFANTS' CARDS.

It is a pleasing custom to send a small card announcing the birth of a child. The full name is on the card, also the date of its birth in the lower left hand corner.

It is enclosed with its parents' card, to which it is daintily ribboned.

A visit of acknowledgement is usual. If not possible a card is sent, with "Congratulations" written upon the upper left hand corner.

## Instructions to Persons Holding Box Keys.

- Never open the box or touch the hook except in case of fire.
- Never give an alarm for a fire seen at a distance.
- Be reasonably sure there is a fire before giving an alarm. Be sure your box is locked before leaving it. 3.
- Never let the key go out of your possession, except to some responsible person to give an alarm of fire. And be sure the key is
- 6. If you remove from your house or place of business, return the key to the Fire Commissioner's Office without delay.

1-1-1 indicates no school.

BROWN S. FLANDERS. Superintendent.

HENRY S. RUSSELL. Fire Cammissioner.

SEPTEMBER 4, 1902.

## DIRECTIONS.

Go to the nearest box to the fire.

A sign over each box gives location of keys.

Open the box—pull the hook all the way down once and let go.

Wait one full minute for the sound of the bel s.

Listen for the working of the machinery in box. If you do not hear it

pull again. If then you hear no sound, go to the next nearest box. Repeat the same there, but do not touch any other box if the nearest one gives the alarm. If it be a keyless door, turn handle to right and open door; when open, pull hook as in other boxes.

After giving the alarm remain a while, if possible, by the box, so as to

direct the firemen to the fire.

SECOND ALARMS—No person will give alarms for the same fire (after the first alarm has been given), without an order fron the Chief, or the officer in command, and the person so ordered will be sure to go to the same box from whih the first alarm was given, and report same to the Chief. If, however, a fire breaks out while another is burning in a different section of the city, a second alarm can be given by a Police Officer without waiting for an order from a Department Official.
